

AARON McCULLOUGH

UNDERLIGHT

ABOUT THE BOOK:

Aaron McCollough's fifth book, *Underlight*, is a dialogue of selves progressing through the Möbius turns of innocence and experience, materiality and faith, despair and reason. *Underlight* is a lyric inquiry into the problems of being and community. It opens itself gradually outward to embrace complication but also accountability as redemptive virtues in a life always on the brink of nihilism.

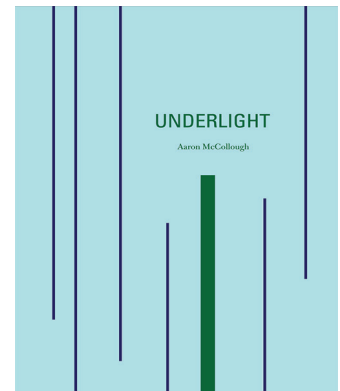

ADVANCE PRAISE :

Aaron McCollough's poetry is a living system that is one part the assaulted world and one part the world's conscious surveyor.

—Peter Richards

I am blinded by this book's dark beauty, its careful precision, its generous offerings. I cannot look away.

—Sasha Steensen
